Welcome to final stretch of winter (less than 30 days to spring)! Before we start salivating for the asparagus stalks of spring, lets be sure to savor the remaining beauty of the winter harvest. **#eatwiththeseason #supportlocal**

Join us every Thursday 12-6PM on [Broxton Avenue](#).

NEW VENDOR ALERT!

Need a date? If so, meet Jessie. He is the guy to talk to if you need to be set up with a great date. Dates are often referred to as “**nature’s candy**” or “the fruit of the desert” because of their natural sugars and sweetness, as well as their prominent growth in high desert climates.

Come taste for yourself! [Fernandez Dates](#) brings its tasty Barhi and Medjool varieties from the Coachella Valley.

NEW VENDOR ALERT!

Remember the olden days when peanut butter was the only nut butter on the block. Not anymore! **Nut butters** of all kinds are all the rage these days.

We are happy to welcome one of our newest vendors, [Welltopia](#), to the market.

They offer a wide range of delicious nut butters. Including,

- **Roasted Almond**
- **Walnut Goji**
- **Black Sesame Spirulina**
- **Peanut Oats**
- **Cashew Hempseed**
- **Roasted Hazelnut**
- **Roasted Pistachio**

In addition to producing locally, we love their commitment to being socially and environmentally conscious. Welltopia utilizes only recyclable or reusable materials in their products. Come taste to find out which will be your favorite!

CITRUS, CITRUS, CITRUS

It's been a citrus craze at the market these past few months but one fruit set itself apart: the **Tangerine!**

Tangy and sweet, easy to eat, make sure to grab some before they go out of season!

[Here](#) are some vitamin-c rich recipes using tangerines.

Tulip Season Is Here

We always look forward to tulip season each year because it's a great reminder that spring is on its way with warmer days ahead :)

Check out our friends at [Skyline Flower Growers](#) each week to see what else is in season! You can't beat the quality and freshness of these locally grown flowers.

Be A Winner

Don't forget to sign up each time you visit the market to enter yourself in our monthly raffle basket contest. If selected, you'll walk away a great catch of **fresh local produce** and other farmers' market goodies.

Sign up at the Info Booth (red tent near the center of the market) to be a winner, just like Don!

We Accept EBT!

A friendly reminder that the Westwood Village Farmers' Market welcomes **SNAP** and **EBT** at all our eligible vendors. Visit the **Info Booth** to swipe your EBT cards for tokens that can be used to purchase healthy goods from participating vendors.

Happy shopping!
